'It Saved My Life"

Is a common expression, often heard from those who have realized, by personal use, the curative powers of Ayer's Cherry Pectoral. * I cannot say enough in praise of Ayer's Cherry Pectoral, be-lieving as I do that, but for its use, I should long since have died from lung troubles. - E. Bragdon, Palestine, Tex.

About six months ago I had a severe Hemorrhage of the Langs, brought on by a distressing Cough, which deprived me of sleep and rest. I had used various cough balsants and expectorants, without obtaining relief. A friend advised me to try

Ayer's Cherry Pectoral.

I did so, and am happy to say that it helped me at once. By continued use this medicine cured my cough, and, I am satisfied, saved my life.—Mrs. E. Ceburn, 18 Second st., Lowell, Mass.

I have used Ayer's Cherry Pectoral for over a year, and sincerely believe I should have been in my grave, had it not been for this medicine. It has cured me of a dangerous affection of the lungs, for which I had almost despaired of ever finding a remedy.—D. A. McMullen, Windsor, Province of Ontario.

Ayer's Cherry Pectoral saved my life.
Two years ago I took a very severe Cold
which settled on my lungs. I consulted
physicians, and took the remedies they
prescribed, but failed to obtain relief
until I began using Aver's Cherry Pectoral. Two bottles of this medicine
completely restored my health.—Lizzie
